

Macworld 2007 Overview

by Hang Wong

The first 30 years were just the beginning. Welcome to 2007.

Most Annoying

The image features six light purple circles arranged in two rows of three. The top row has one empty circle on the left and two filled circles on the right. The bottom row has two filled circles on the left and one empty circle on the right. The text is centered over these circles.

MacWorld SF 07

Things iPhone Over Shadowed
